

定做滤波器

Custom Filters

RoHS

Features 特点

Custom design, accurate performances, low cost, fit to space EMI filters.
Designed and built to fit and perform to exact specifications and requirements.

定做设计，精密度高，低成本，利用空间用的EMI滤波器，设计适合并满足所需规格要求

Typical Applications 应用范围

Home appliances and white goods, industrial equipment, power supply, control stations, medical equipment and others.

家电和白色家电，工业设备，电源供应，控制机站，医疗设备等

Technical Data 技术参数

额定电压 Rated Voltage :	Up to 520VAC
额定电流 Rated Current (A) :	Up to 600A
工作效率 Operating Frequency (Hz.) :	50/60/400 Hz.
漏电流 Leakage Current :	应用所需的漏电流 (Leakage current to fit application)
高压等级 Hipot Rating (1 minute) :	可根据客户要求设计 Custom design to fit application
端子 Terminals :	可根据客户要求设计 Custom design to fit application
